

Park Central OB/Gyn Associates

EMERGENCY REMINDERS

PLEASE CALL WITH ANY OF THE FOLLOWING:

- Constant headache
- Blurred vision
- Fainting episode
- Worsening puffy feeling or severe swelling
- Fever (Temperature greater than 100 F)
- Vaginal bleeding, more than just spotting
- Persistent abdominal pain
- Burning with urination
- Prolonged vomiting or diarrhea

A physician can be reached 24 hours a day, 7 days a week by calling our main office number at 972-774-9990 and connecting with the answering service.

PHYSICIAN ON-CALL ARRANGEMENT

Dr. Hyslop, Dr. Victor Vines and Dr. Julie Pao rotate sharing weekend call. They all have a similar practice philosophy, and have years of experience in providing care to Obstetric patients.

Please understand the need for this arrangement to allow rest time, and time with our families.

Dr. Hyslop, Dr. Vines and Dr. Pao currently cover their own call during the week.
